STRIDE

ACADEMY™

Math & Literacy for PreK - Grade 11

Adaptive learning, anytime.

On their PCs, Macbooks and tablets, at school, home, or on-the-go, **Stride Academy** students have **24/7 online** access to **Common Core** skills practice and instruction personalized to their specific needs.

Self-directed instruction + unrivaled learning excitement!

Answer questions to master Common Core skills and earn coins.

Watch videos to learn new skills and earn coins.

Spend coins to play games or enhance your avatar!

Dynamic leaderboards show student rankings in real-time.

Compete with points and become a high scorer!

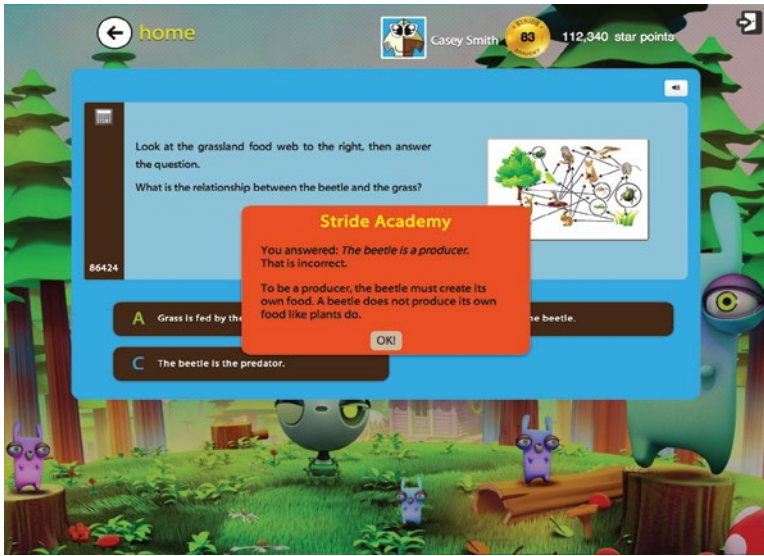

Earn badges for in-game and academic accomplishments

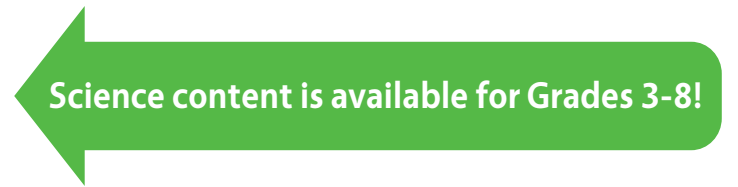

Powered by Stride™ adaptive technology.

Stride drills deep to discover and remediate the exact standards where a student is struggling. Repositioning the student where he or she can succeed – even several grades lower – builds the foundational skills needed to advance up to grade-level mastery and beyond.

Exciting new content for PreK-Grade 11.

Includes higher order thinking problems and longer, more rigorous reading passages, with readability measures in place for every text to ensure appropriate grade-level complexity.

Instant, relevant feedback.

Educational rationales for every incorrect answer option provide teachable moments throughout the learning course.

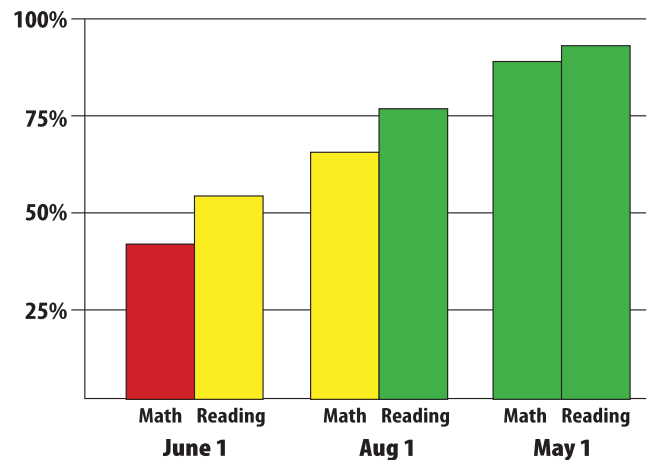

Ongoing assessment + real time data reporting.

Progress Report

June 1, 2011 – Aug. 1, 2011 – May 1, 2012

Grade 3 Mathematics	Solve Problems with Addition and Subtraction	Properties of Operations with Addition and Subtraction	Add and Subtract within 20	Addition and Subtraction Equations
Gap 1 – June 1	16/20 80%	12/20 60%	5/20 25%	5/20 25%
Gap 2 - Aug 1	18/20 90%	16/20 80%	16/20 80%	11/20 55%
Gap 3 - May 1	19/20 95%	18/20 90%	18/20 90%	12/20 60%

Overall Math & Reading Progress:

Pre-test, post-test and formative assessments (and a new custom quiz builder coming in Fall 2013!) deliver the data you need, in the format of your choice, on demand. Your dedicated **Outcomes Advisor** reviews your data to help strategize toward your academic goals.
